

Transition Training and Runway Safety

Transition Training will cover the difficulties of transitioning from Steam dial instruments to glass cockpits and back. Then we will have a presentation on runway safety and pilot deviations.

Directions: Follow attached map link to Miami Dade College then follow signs to even.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
